

Science

Everyday Materials

Investigate common materials and compare their properties to understand what makes them useful.

Seasonal Changes

Observe how weather, daylight and the natural world change throughout the four seasons.

English

Autumn 1

Children will build confidence in writing complete ideas and sequencing events to tell a simple story. They will join ideas using 'and' and develop accurate use of capital letters and full stops while writing a story.

Autumn 2

Children will develop their storytelling skills and learn how to give clear instructions. They will explore plurals and the -er ending while writing a traditional tale and instructions.

Maths

Autumn 1

Children build on their Reception experiences, developing secure counting skills and exploring the number system through counting within 100.

Autumn 2

Children compare quantities, explore part-whole relationships and develop their understanding of the composition and comparison of numbers from 0 to 5.

RE

What do Jewish people remember on Shabbat?

Children learn about Shabbat and how Jewish families remember God's creation and enjoy special time together.

What does the cross mean to Christians?

Children explore the Easter story and understand why the cross is a powerful symbol for Christians.

Computing

Technology Around Us

Pupils explore the technology around them, learning how computers are used and how to use them safely and responsibly.

PE

Fundamentals & Athletics

Fitness & Ball Skills

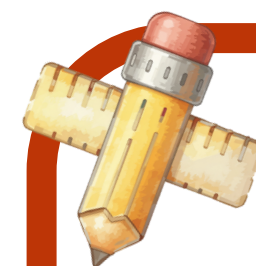

Art

Super Cityscapes

Children explore colour, shape and pattern to create vibrant cityscape artwork inspired by artists Paul Klee and James Rizzi.

DT

No DT unit for this term.

History

Toys

Children explore how toys have changed over time and compare toys from the past with those they play with today.

Geography

Superheroes, Super Me

Children explore their local area, learning about the human and physical features of Danbury while developing their mapping skills.

Music

My Musical Heartbeat

Children begin to explore pulse, rhythm and pitch through singing, movement and simple musical activities.

Nativity

Children learn and perform songs from the Nativity story, developing confidence in singing and performing together.

RSHE

All About Me

Pupils explore what makes them unique, learn about growing and changing, and develop strategies to recognise and manage their emotions.

Respectful Relationships

Pupils learn how to treat others with kindness and respect, understanding how their words and actions can affect those around them.
