

Science

Living Things and their Habitats

Explore habitats and food chains to understand how plants and animals depend on each other for survival.

Use of Everyday Materials

Explore how materials can be used, shaped and changed for different purposes.

Computing

Information Technology Around Us

Pupils investigate how information technology is used in everyday life and learn how to use it safely and responsibly.

PE

Fundamentals & Athletics

Fitness & Ball Skills

Art

Castles & Creatures

Children design and build imaginative sculptures inspired by castles, mythical creatures and fantasy worlds.

English

Autumn 1

Children will develop their storytelling by creating vivid journeys and settings. They will use expanded noun phrases and conjunctions to add detail while writing a narrative and letter.

Autumn 2

Children will explore how to create an engaging setting and write about events from a character's point of view. They will write a narrative and a diary.

Maths

Autumn 1

Children develop their understanding of numbers to 100 and build fluency and confidence when calculating with numbers within 20.

Autumn 2

Children develop fluency in addition and subtraction facts and use their understanding to add and subtract two-digit numbers.

RE

Why is light an important symbol for Christians, Jews and Hindus?

Children explore how light is used as a symbol of hope, guidance and celebration in different religions.

What does the Nativity story teach Christians about Jesus?

Children examine the Nativity story to understand what Christians believe about Jesus.

Music

Pulse, Rhythm and Pitch

Children develop their singing and performance skills while deepening their understanding of pulse, rhythm and pitch.

Nativity

Children perform Nativity songs with growing confidence, expression and teamwork.

RSHE

All About Money

Pupils learn where money comes from, how it is used and the importance of making thoughtful choices about spending and saving.

Healthy Bodies

Pupils develop healthy habits, learn about physical and emotional wellbeing and explore ways to manage their feelings.

History

Castles

Children discover why castles were built, who lived in them and how they changed throughout history.

Geography

Weather & Climate

Children investigate weather patterns and seasons in the United Kingdom, using fieldwork to observe, measure and record local weather.

YEAR 2 AUTUMN
